An academy within:

“Learning together, to be the best we can be”

1. Aims

- 1.1. We have a requirement under the Equality Act 2010, to have an accessibility plan and the purpose of this plan is to:
- Increase the extent to which disabled people can participate in the curriculum.
 - Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided.
 - Improve the availability of accessible information to disabled pupils.
- 1.2. At Endeavour Academy we aim to treat all our pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.
- 1.3. At Endeavour Academy our vision is turning "Through honesty we build trust, through empathy we gain understanding and, through resilience, we endeavour to succeed". We are a values-driven academy; we work hard to drive forward our core values of Honesty, Empathy and Resilience.
- 1.4. The school will also remove or minimise any potential barriers to learning allowing all children to achieve and participate fully in school life. Endeavour Academy will challenge negative attitudes about disability and accessibility and developing cultural awareness, tolerance and inclusion.
- 1.5. We are committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues. In addition, the school supports any available partnerships to develop and implement this plan.
- 1.6. We have included a range of stakeholders in the development of this accessibility plan including pupils, parents, staff (and governors).

2. Legislation And Guidance

- 2.1. This plan meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010. This defines an individual as disabled if they have a physical or mental impairment that has a "substantial" and "long term" adverse effect on their ability to undertake normal day to day activities.
- 2.2. The Equality Act 2010 defines disability as a physical or mental impairment

that has a substantial and long-term adverse effect on a person's ability to carry out normal day-to-day activities. "Long-term" generally means lasting, or likely to last, 12 months or more, and "substantial" means more than minor or trivial. This can include sensory impairments and long-term medical conditions. The school recognises that not all disabled pupils have SEND and not all pupils with SEND are disabled under the Equality Act 2010.

2.3. We are required to make "reasonable adjustments" for pupils with disabilities, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, provision of an auxiliary aid or adjustments to premises.

2.4. This plan complies with the funding agreement and articles of association.

3. Action Plan

3.1. The action plan at Appendix A sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

4. Monitoring Arrangements

4.1. This plan will be reviewed at least annually in order for it to remain up to date with each new cohort.

5. Digital Accessibility Commitment

5.1. As part of our ongoing efforts to ensure inclusivity, Endeavour Academy is committed to making all digital content accessible in accordance with the Web Content Accessibility Guidelines (WCAG) 2.2, Level AA standard. This includes our website, online learning platforms, and digital communications.

5.2. We aim to ensure that:

- All users, including those with visual, auditory, cognitive, or motor impairments, can access and navigate our digital resources independently.
- Content is presented in clear, readable formats with alternative text for images, accessible navigation, and compatibility with screen readers and assistive

technologies.

- Regular accessibility audits and user feedback inform updates and improvements to our digital platforms.

5.3. This commitment aligns with the Public Sector Bodies (Websites and Mobile Applications) Accessibility Regulations 2018. We will continue to monitor and improve digital accessibility to meet the evolving needs of our school community.

5.4. Non-digital information will also be made available, where appropriate, in alternative formats to ensure accessibility.
